

History & Sightseeing

Tendo Highlands

Come and enjoy our wonderful nature throughout the year!

Great hiking and camping in summer, great skiing in winter! Great outdoor activities all year round.

Roadside station Tendo Onsen Mori-na Tendo

The tourist information center provides information on everything you want to know about Tendo. The adjoining Sun Pure farmers market offers locally grown fresh fruit and vegetables in season.

Waku-waku Land

The water fountain area and a large play area are popular places to spend the day.

Jakusho Temple

Jakusho Temple is famous for its matchmaking deity, Kannon. Parts of the temple are designated as national important cultural assets and definitely worth a visit.

Power spot for matchmaking

Tendo Park (Mt. Maizuru)

Mt. Maizuru is situated in the center of Tendo City and beloved as a symbol of the city. You can enjoy the panoramic view of Mt. Gassan, the Asahi mountain range, the Mogami River and more from the viewing area on top of the mountain.

Atagonuma Water Park

Many people come here every day to take a walk as well as for cherry-blossom viewing in spring.

Must visit! You don't want to miss out! Museums

Tendo Oda of village History Museum (Old Higashi-Murayama County) Office Museum

The building has been designated as an important cultural asset as an old western style building built in the 19th century.

Nishinumata Site Park

A reconstruction of a farming settlement in the late Kofun period (6th -7th century AD)

Ancient dwellings and storage houses for crops have been reconstructed. The information building offers various hands-on experiences such as *magatama* stone bead making, ancient pottery making and ancient firemaking.

Nishinumata Site

Hiroshige Museum of Art

This museum is devoted solely to the works of Utagawa Hiroshige (1797-1858), an *ukiyo*e artist whose most famous series of woodblock prints is of the "53 stations of the Tokaido"

Dewazakura Museum of Art Foundation

The main exhibits here are ceramics and craftwork from the Joseon Dynasty of Korea (the last dynasty of Korea). Also on display is art related to cherry blossoms and sake vessels.

The museum holds thousands of artworks.

Tendo City Museum of Art

This museum exhibits art and culture with a connection to Tendo. There is a public library and civic hall nearby.
